संदेश – अध्यक्ष महोदय

“असफलता ही सफलता की सीढ़ी है।”

यूँ ही नहीं मिलता कोई मुकाम।

लगातार चलना पड़ता है उसे पाने के लिए।।

आप असफल तब होते हैं, जब आप एक और कोशिश करना छोड़ देते हैं जबकि बड़ी सफलता हमेशा बड़ी मुश्किलों के बाद मिलती है। इसलिए यदि आप अपने किसी लक्ष्य को हासिल करने में बार-बार असफल हो रहे हैं, तो इसका मतलब यही है कि आपका लक्ष्य बहुत ज्यादा उत्कृष्ट व महत्वपूर्ण है। इसलिए आसानी से पूरा नहीं हो पा रहा है। आज के तकनीकी युग में युवा वर्ग जीवन में सफलता की सीढ़ी चढ़ने के लिए लालायित है, लेकिन थोड़ा सा परिश्रम या फिर कड़ी मेहनत के बावजूद नकारात्मक परिणाम उन्हें पूरी तरह से निराश कर देता है।

यह वक्त मानव जीवन का अहम मोड़ होता है, क्योंकि ऐसे समय पर जो व्यक्ति हिम्मत हार कर असफलता को अपनी किस्मत मान लेता है, वह जिन्दगीभर सिर्फ दूसरों की सफलता का दर्शक मात्र बन कर रह जाता है।

प्रत्येक सफल होने वाले व्यक्ति का अनुभव है कि हर असफलता, सफलता की सीढ़ी का एक पायदान होती है। इसलिए एक कोशिश और कीजिये। कौन जाने आप अपनी सफलता की सीढ़ी के आखिरी पायदान पर खड़े हों और आपकी यही कोशिश, आपकी सफलता के लिए आखिरी कोशिश हो।

नवोत्कर्ष के सप्तम् प्रकाशन पर मैं संस्थान के निदेशकों/संपादक/शिक्षकों/शिक्षणेत्तर कर्मचारियों एवं छात्र-छात्राओं को अपनी हार्दिक शुभकामनाएँ एवं बधाई देती हूँ।

Director's Message

I express my heart felt gratitude on releasing seventh issue of Newsletter “Navutkarsh”. I wish for the success of this issue. This time I am writing on Merger of Banks.

Merger of Banks

Nowadays Indian economy is slowing down. GDP growth rate is continuously declining and reaching at 5%. Some features of depression in economy are appearing. Really it is a matter of worry and annoying us. Though all over the world, economies are slowing down and depression is becoming a world phenomena yet our economy is comparatively in better position. We are facing some economic problems like less cash, increasing NPA of public sector banks and lack of aggregate demand. Some sectors of the economy are not performing well. These sectors are real estate, automobile (Car) and agriculture. Real estate which consists of more than 200 allied industries is the backbone of economy. Slow down in this industry is annoying us. Automobile (Car) sector is also sinking. Down trend in these sectors, is causing negative effect on aggregate demand. For the improvement and upward of these sectors government is reducing GST on real estate products and channelizing more and more easy and cheaper fund into the economy by taking dividend and loan from RBI. Some more financial reforms are being taken that are, merger of public sector banks which will reduce the NPA of banks and provide financial strength and sufficient capital to banks. Now sanctioning and monitoring of loans up to rupees 250 crores, there will be a separate and special agency so that big and willful can be checked. At last we hope these reforms will provide booster in the economy and keep on track the growth of economy.
