## संदेश – अध्यक्ष महोदया

### हृदय से बड़े बनें

बड़ा वह नहीं जो धन में बड़ा हो, न ही वह जो ज्ञान में बड़ा हो, न ही वह जो यश में बड़ा हो, वास्तविक रूप में बड़ा व्यक्ति वही है जो हृदय से बड़ा हो। हम इस धरती पर हर समय महान चीजों को नहीं कर सकते। पर

हम चीजों को महान प्रेम की भावना से अवश्य कर सकते हैं। प्रसन्नता देने से हमारे अन्दर शान्ति, सहनशीलता और धैर्य के गुण प्रबल होते हैं। किसी को खुशी देने से मिलने वाला संतोष अपने आप में ही मूल्यवान है। स्वार्थ को ध्यान में रखकर किया गया कोई भी काम प्रसन्नता को जन्म नहीं दे सकता है। हमारी कोशिश यही होनी चाहिए कि हमें हर समय दूसरों के लिए अच्छा सोचना चाहिये, उनसे मधुर शब्द बोलने चाहिए और उनको प्रोत्साहित करना चाहिए। हमारी सोच लेने के बजाये देने की होनी चाहिए। हमारा जीवन तभी अर्थपूर्ण हो सकता है जब हम लोगों को प्रसन्न रखने की कला सीख लें।

छात्र/छात्राओं की शैक्षणिक, खेलकूद एवं सांस्कृतिक प्रतिभा को प्रोत्साहित करने के लिए 'नवोत्कर्ष' का प्रकाशन अत्यन्त उपयोगी व लाभप्रद है। मैं आशा करती हूँ कि इससे संस्थान की सेमेस्टर की गतिविधियों की भी झलक प्राप्त हो सकेगी।

नवोत्कर्ष के 'पंचम' अंक प्रकाशन की सभी को हार्दिक शुभकमनायें प्रेषित करती हूँ एवं संस्थान के उत्तरोत्तर प्रगति की कामना करती हूँ।

## From the Director's Desk

I express my heart felt gratitude on releasing fifth issue of Newsletter "Navutkarsh". I wish for the success of this issue.

### Director's Column - Views on An Economic Topic Financial Literacy and Awareness

Often you listen that dear and hard earned money of some people is lost by investing in wrong companies or with fraud group of people. Recently a very known person to me became the victim of such group so I am writing and awakening through this article. There is a lack of financial knowledge amongst people. Knowledge and financial knowledge have some different aspects. Do work with analytical power of mind not with kind heart. Keep some rules into consideration before investing –

1. Investment is subject to a universal law of risk and return. High risk has high return and low risk has low return. You always keep a balance between risk and return.
2. Do not invest in chit fund, para banking companies and committee (Committee is a group of some persons, one person as organizer collects the money from the group for high interest and at the last organizer becomes willful defaulter and whole group money is lost).
3. Invest in bank, bank mean the organization registered under banking company act. 1949 and governed by Reserve Bank of India (RBI). Para banking companies like Sahara India Ltd., Pearls Green and Chit Fund Companies are formed under Company Act 1956 and 2013. These are not covered under RBI control.
4. Invest your money in mutual fund but some study and caution are needed. Mutual funds invest its fund in share market which has fluctuations and market risks.
5. Do not invest directly in share market. Market risks and fluctuations are so high that your small individual amount will not face.
6. Small savings in post office RD and Fixed Deposit are best financial schemes for a small investor from the point of view of income and safety.
7. Make your investment portfolio keeping balancing factor into consideration like mutual fund of equity linked and debt linked. Some assured return schemes as NSE and Fixed Deposit. Every person should have one insurance policy for family health and one policy of life term insurance. 20% of your saving should be kept in saving account of bank for high liquidity.
