संदेश - अध्यक्ष महोदया

“जीवन का लक्ष्य आत्म केन्द्रित स्वार्थ में नहीं है, अपितु अपने आपको परहित हेतु समर्पित कर देने में है।” दीपक यदि अपने तेल को संचित रखना चाहे तो उसके जीवन का लक्ष्य पूरा नहीं होगा। वह स्वयं भी अंधकार में रहेगा और अन्य लोगों को भी अंधेरे में रखेगा। उसका लक्ष्य तो स्वयं प्रकाशित होना तथा सबको प्रकाशित करना है। संस्थान की प्रगति में सहायक न्यूजलेटर “नवोत्कर्ष” के द्वितीय अंक का सभी स्नेहीजन स्वागत करेंगे, ऐसा मेरा विश्वास है। ‘नवोत्कर्ष’ के प्रकाशन के पीछे संस्थान के छात्र/छात्राओं एवं अध्यापकों का जो अदम्य उत्साह है वो अपनी संस्था को विकास की उच्चतम ऊँचाईयों तक ले जाने हेतु कृत संकल्प है।

इसके सुन्दर कलेवर तथा पठनीय सामग्री के संकलन, सम्पादन और प्रकाशन पर मैं संस्थान के निदेशकों, सम्पादक मण्डल, शिक्षकों, कर्मचारियों एवं विद्यार्थियों को शुभकामनाये प्रेषित करती हूँ।

संस्थान के स्वर्णिम भविष्य एवं प्रगति हेतु कामनाएँ।

Director's Message

I express my heart felt gratitude on releasing second issue of Newsletter “Navutkarsh”. I wish for the success of this endeavor and hope it will provide a fruitful effect. As it is a usual practice to review on a current economic activity of the country in every newsletter, this time I am mentioning the demonetisation in India.

Demonetisation

On 8 November 2016, the Government of India announced the demonetisation of all ₹ 500 and ₹ 1,000 notes of the Mahatma Gandhi Series. The government claimed that the action would curtail the shadow economy and crack down on the use of illicit and counterfeit cash to fund illegal activity and terrorism. Demonetisation would also combat tax evasion by 'black money' held outside the formal economic system. This

step would also make a check on inflation in Indian economy. It is not a new step in India, earlier two times such type of decision had been taken. First time in 1946 and second time in 1978.

This move has received support from several bankers as well as from some international commentators. Arundhati Bhattacharya (Chairperson of State Bank of India), and Chanda Kochhar (MD & CEO ICICI Bank) appreciated the move in the sense that it would help curb black money. It would also accelerate e-commerce infosys founder N. R. Narayana Murthy praised the move. Facts says that demonetisation has broken the back bone of terrorists, nexalites, maoists and anti nation activities in J&K.

Criticism : Nobel laureate Indian economist Amarthya Sen, criticised the demonetisation move calling it a “despotic action”. Former Senior Vice-President and Chief Economist of the World Bank. Kaushik Basu, called it a 'mjr mistake' and said that the 'damage' is likely to be much greater than any possible benefits.

Pronab Sen, former Chief Statistician and Planning Commission of India member, called it a “hollow move” since it did not really address any of the purposed goals of tackling black money or fake currency. Current economic surveys says demonetisation has hit Indian GDP by 0.5%. Up to 97% of the demonetised bank notes have been deposited into banks which have received a total of ₹ 14.97 trillion. as of December 30 out of the ₹ 15.4 trillion that was demontised. This is against the government's initial estimate that ₹ 3 trillion would not return to the banking system.

Over all conclusion is this that it is a bold step and it will provide a positive effect on economy in long term in future.

Editorial

Greetings and Welcome to the second issue of "Navutkrash".

It gives us great pleasure to bring you the second issue of "Navutkrash". The name and fame of every institute depends on the caliber and achievements of the students and teachers. The role of a teacher is to be a facilitator in nurturing the skills and talents of students. This newsletter is definitely a platform to exhibit the literary skills and innovative ideas of our teachers and students. Navutkrash presents the achievements of students and contributions of teachers. We would like to place on record our gratitude and heartfelt thanks to all those who have contributed to make this effort a success.

We profusely thank our management for giving continous support and encouragement in making the newsletter possible. We are overwhelmed by the response that we received from the students, faculty and staff of SCGIMT. This issue of Navutkrash brings to you glimpses of memorable moments of SCGIMT. This endeavor will be a platform for our faculty and students to showcase their multi faceted talents and fabulous achievements. We are sure that quality and content of this venture will improve with each issue. We hope you will enjoy reading this issue. This year has been marked with some significant progress and achievement of the Institute. The new academic building have given a remarkable fillip to the campus infrastructure, it looks and feel.

Industry student interface

At SCGIMT students are exposed to Industrial Interface programmes like orientation programmes, Guest lecturers, invited talks etc. Students get an opportunity to engage with distinguished professionals and leaders of industry. There are ample opportunities for students for the overall development of their personality by personality development classes that we regularly have as a part of our curriculum.

Industrial Visit

Industrial visit is very important part of curriculum to any student undergoing professional education. . BBA and BCA I Year students had visited SIDDHARTH PAPER Pvt limited, Kashipur on 6 October 2016. This visit helped our students to gain first hand information regarding functioning of the business organization. We regularly organize industrial visits for our students because this provides them an opportunity to plan, organize and engage in active learning experiences outside the classroom. It provides an insight into the real working environment of the industry to enhance their knowledge.
