Director's Message

अत्यन्त हर्ष का विषय है कि जो पौधा 11 वर्ष पूर्व स्मृति शेष मेरे जीवन सहचर एवं इस संस्थान के संस्थापक - अध्यक्ष स्व. श्री सत्येन्द्र चन्द्र गुड़िया जी ने लगाया था, वो अब एक वृक्ष के रूप में आकार ले रहा है।

संस्थान स्थापना के समय उत्कृष्ट विचारधारा की परिणति, पवित्र उद्देश्य एवं दूरदृष्टि के कारण ही यह संस्थान कुमाऊँ में ही नहीं अपितु सम्पूर्ण उत्तराखण्ड में अपना विशेष महत्व रखता है और दिन पर दिन अपने उद्देश्य एवं लक्ष्य की सफलता की ओर अग्रसर हो रहा है।

संस्थान के चतुर्दिक विकास क्रम की श्रृंखला यह न्यूज़लैटर "नवोत्कर्ष" निश्चित ही संस्थान की गतिविधि एवं प्रगति का परिचायक सिद्ध होगा।

मैं "नवोत्कर्ष" के प्रथम प्रकाशन के अवसर पर संस्थान के निदेशकों, सम्पादन मण्डल, शिक्षकों, कर्मचारियों एवं विद्यार्थियों को शुभकामनाएँ प्रेषित करती हूँ।

संस्थान के स्वर्णिम भविष्य एवं प्रगति हेतु कामनारत।

काशीपुर (ऊधम सिंह नगर)

I feel great pleasure, privilege, pride and accountability for this endeavor of publication of this inaugural issue of SCG IMT Newsletter 'Navoutkarsh'. I express my gratitude and thanks to all the members who have worked hard to make this issue a success and hope this Newsletter will prove to be a milestone in the progress history of SCG IMT. I dedicate this first issue of newsletter to the founder chairman of this institute Late Shri Satyendra Chandra Guria Ji and Shri N. D. Tiwari Ji, Ex. Chief Minister, U.P. & Uttarakhand. Their vision and contribution to make Kashipur educational hub, specially in the field of professional education has been a source of great inspiration and motivation for all of us.

Increasing NPA's in Indian Banks

As it is a usual practice to review on an economic problem of the country in every newsletter, this time I am mentioning the problem of NPAs in Indian Banking.

Indian economy is the fastest growing economy of the world. Our G.D.P. rate is 7.6% which is the highest in the world. We have world's biggest market with demand orientation. Majority of our population is young which makes India a 'Pride', yet we have a lot of problems. Recently, India has been witnessing a very serious problem i.e. increasing NPA's (Non Performing Assets). This problem is chronic in public sector banks specially for big wilfull defaulters. The outstanding amount of loan for this segment has increased seven times in this decade. This has drastically impacted our national exchequer. The Supreme Court of the country has drawn the attention of R.B.I. (Regulatory body) and policy makers for corrective actions in this regard and has emphasized to list the name of wilfull defaulters but the 'Assocham' (The Associated Chambers of Commerce and Industry of India) has opposed this step, saying it will jeopardize the industrial environment in the country. We are hoping a rightful and amicable solution very soon.

Industrial Visit

We regularly organize industrial visit for our students to understand the complexities faced by the organizations in various stages. On 12 April 2016 BBA IV and VI Semester students visited Varun Beverages (Pepsi bottling plant) Bazpur. Industrial visits provide an excellent opportunity to the students. They also get to know about the intra and interdepartmental linkages and understand behavioral aspects within an organization. The motive is to provide the students with a right blend of theoretical learning and an opportunity to witness how those concepts are utilized in the practical scenario.
