Training & Placement

SC Guria IMT is creating new avenues for the corporate world to explore the academic & to foster industry institute partnership. Our goal is primarily to identify prospective employers and their requirement in terms of skill sets and develop the same in our students. At SC Guria IMT our pride lies in the Placements. As a part of placement efforts, the placement team visits a nos. of potential employers and appraises them about the level of knowledge and practical skills acquired by the students. The students too have reciprocated to our efforts and the selection percentage has been satisfactory.

A few companies where our students have awaited placement.

Industrial Visits & Guest Lectures are organized on regular basis.
