MESSAGE FROM DIRECTOR PLANNING

DR. CHANDER SHEKHER
DIRECTOR PLANNING

The global economy is passing through one of its worst phase of the century. Our country has also got influenced but not to the extent as western countries where the so called best brains, best talents exist.

This paradox can force any intellect brain to think that what went wrong with these developed nations & how could we succeed in remaining somewhat insulated from these down trend.

The answer lies in our legacy, our culture which is reflected in our life styles i.e. our attitudes interests & opinions. We believe in consumption with sacrifice and put 'us' before 'me' Moreover, this problem is also a result of the change in values which the present education system is imparting.

At S. C. Guria Law College, we take care of these aspects & hence develop a mesh of legal education interwoven with values to give to the world a responsible human being who can play a role of effective & efficient legal experts.

Hence, if you share the same belief, I welcome you.

MESSAGE FROM CHAIRMAN

MESSAGE FROM PRINCIPAL

DR. R. N. SINGH
PRINCIPAL
LL.M., PH.D. (LAW)

It is a great privilege to welcome students who want to pursue legal studies. When I go down the memory lane and see myself as a law student and later as a law faculty, I realize that legal education, not only makes students legal experts, but also transforms them into law-abiding and God-fearing citizens.

Contrary to popular perception that legal education only prepares advocates, infact, legal education opens up plethora of avenues which are still not known to students coming from small towns and villages.

I am fortunate to be a part of SC Guria Law College, which is leaving no stone unturned to provide quality education with a difference.

I am confident that with collective efforts of my team and management we will be able to fulfil the dream of Late Shri. Guria Ji and make our students not only career oriented but also good human beings.

Inauguration by :
Late Shri. N.D. Tiwari
(Chief Minister, Uttarakhand)

About Us We take the pleasure to introduce ourselves as an upcoming institute in the field of management, computer & law education and are managed by a society which has an experience of number of years in imparting the education.

This institute which believes in imparting the value-based education has been an outcome of the vision of Shri N.D. Tiwari (Ex-C.M. Uttarakhand) & Shri S.C. Guria (Ex-MP, Lok Sabha).

The institute has a sprawling 15 acres campus in a quite & natural environment, highly conducive from the learning point of view.

Established in the year 2005, the institute has taken a long stride & has proven itself in the field of education. The rigorous curriculum of the institute prepares its students for a challenging career. The institute believes in the intellectual, professional, emotional & spiritual development of the students & leads them towards their holistic development.

Our **Philosophy**

The problem with the nation is not about the dearth of resources but it is about managing the resources. Moreover in today's highly competitive world which is becoming more competitive day by day, effectiveness & efficiency have to be instilled in every aspect of work. The institute is making its humble contribution in addressing these problems through management & IT programs. Moreover the institute does not adopt the narrow outlook of preparing the students only for the job, rather it prepares them to be a "better manager of resources" & see that they contribute not to their own growth only but also in making country a developed nation.
